

2021 ITKD Veteran's Camp

Dear Instructors and students

Now that Nationals are all done, time to get excited about this year's Vet's Camp - it's the 9th year. We're thrilled to confirm we've got some fantastic instructors lined up and raring to go!

Those that have been before will testify, the camp is about TKD, meeting like minded fellow practitioners, but most of all about having fun, in a safe and social atmosphere. Renewing existing friendships, and making fresh ones is another added bonus.

The camp is open to all students, regardless of rank, from White Belts up to Masters (last year we had 2 Masters as attendees).

We can also put you in touch with others that may be coming from your area to help share the journey, or if you anticipate flying into Auckland or Tauranga, we have people coming through to help get you to and from the airport.
